HIGHLIGHTS

- The PROPEL Energy Technology Venture Forum, held at the Fairmont Palliser in Calgary AB, brings together the best, boldest, most innovative emerging and established energy technology companies
- Chris Doornbos, President & CEO, is presenting at the event
- Visit us at the E3 Metals booth Feb 7 and 8.

Vancouver, BC – February 6th, 2018 – E3 METALS CORP. (TSX-V: ETMC, FSE: OU7A, OTC: EEMMF) (the “Company”, “E3” or “E3 Metals”) is pleased to invite shareholders and the energy community to the 2018 PROPEL Energy Tech Forum taking place February 7-8, 2018 at the Fairmont Palliser Hotel in Calgary, AB. E3 Metals’ CEO, Chris Doornbos, will be presenting on February 7th in the afternoon session in the Resource Recovery & Management stream. Visit us afterwards at our booth.

“We are excited to share the E3 Metals vision and value proposition at PROPEL and look forward to engaging with potential investors and collaborators,” commented E3’s CEO Chris Doornbos.

You can register for the conference at:

E3 METALS CORP

ON BEHALF OF THE BOARD OF DIRECTORS,

Chris Doornbos, President & CEO

E3 METALS CORP.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

This news release includes certain forward-looking statements concerning the development of the Company's Alberta Petro-Lithium Project, the Company's intention to establish a mineral resource estimate in respect of its Alberta Petro-Lithium Project and the results thereof, the reliability or accuracy of sampling results, the anticipated results of future sampling programs, the future performance of our business, its operations and its financial performance and condition, as well as management's objectives, strategies, beliefs and intentions. Forward-looking statements are frequently identified by such words as "may", "will", "plan", "expect", "anticipate", "estimate", "intend" and similar words referring to future events and results. Forward-looking statements are based on the current opinions and expectations of management. All forward-looking information is inherently uncertain and subject to a variety of assumptions, risks and uncertainties, including the speculative nature of mineral exploration and development, fluctuating commodity prices, results of current and future testing, competitive risks and the availability of financing, as described in more detail in our recent securities filings available at www.sedar.com. Actual events or results may differ materially from those projected in the forward looking statements and we caution against placing undue reliance thereon. We assume no obligation to revise or update these forward looking statements except as required by applicable law.
